Mr. Paul MacCaughy, principal, accompanied by Mrs. MacCaughy have arrived and the outlook this year, according to Mr. MacCaughy, is a very promising one.

Haiku To Have Picture Theatre

Modern Show House Being Built In
Haiku—Expected To Open About
Middle Of October

A \$3000 theater just makai of Haiku Cannery on the opposite side of street will, if all plans go right, form one of the big improvements in the Haiku district. J. A. Carroll, until a few weeks ago manager of the Wailuku Orpheum, expects to have the Haiku Theater open to the public on October 15.

The show house will have a seating capacity of 600. Money was no object in putting up the operating booth which has been approved by the fire marshal of the territory. The latest type projector has been secured and this with good ventilation and plenty of exits with isles leading to them is a big argument in its favor. Ample parking space and a watchman to look after the cars is another big boost to the project.

The best pictures procurable will be used such as Paramount, Goldwin, Select and Fox features, also serials and comedies. The house will be open three times a week—Wednesdays, Saturdays and Sundays.

Honolulu Baseball Team For Fair Week

Maui is becoming the Mecca of baseball players. The Braves baseball club from Honolulu, considered to be the best team in the territory today, is coming over during the Maui County Fair at the invitation of the Territorial Committee of the Maui County Fair & Racing Association.

They will play two games against the local boys on the Fair grounds and will most likely engage in a third contest on the local diamond at the foot of Wells St.

Maui will have to work some to beat the Braves. Cecil G. Benny, president and manager of the club, is confident that his team will take the measure of our stars while George Cummings, in charge of arrangements has it from M. G. Paschal that the Braves will not be able to do any scalping on these hunting grounds.

Maui Is Island Polo Champion

Good Work By Valley Isle Team Wins
Big Honor—Opponents Give Hard
Battle And Exciting Game

(Special to the Maui News.)
There was a buzz of excitement in the hotel lobbies and among sporting circles in Honolulu, particularly the outside island visitors, for a week before the polo game which was played Wednesday between Maui and Kauai teams for the championship of the Hawaiian Islands, the game going to the final score of 11 to 6, in favor of Maui. A tensely in the atmosphere was apparent to even the casual visitor and so roused the curiosity that there was a large gallery on hand to see the game. Many mainland visitors followers of the game in California, were enabled to view a rare game, one where opponents were evenly matched both as to horsemanship, horseflesh and polo skill. The members of both Maui and Kauai teams are in the saddle for many hours a day and are proficient horsemen, so that the contest between these two teams was really a battle worth watching. The Valley Island was the favorite in the betting, but before the game admitted that the Kauai team stood as fair a chance of winning as they themselves. Charles Rice of Kauai and Frank Baldwin of Maui had a private tussle every time they met, and there were plenty of thrills and lots of excitement. James Spalding of Kauai has proved himself a star this year and did some fine work. Malina, an old enemy kept the Maui men busy guarding him, but the brilliant work of Edward Baldwin served to pull Maui out of several bad holes. Sam Baldwin and the Rice boys played about the same style of good clean polo work and were depended on in the pinches several times. Pat Collins, whose polo work has been much improved during the past season, gave a good accounting of himself and showed that Maui has good stuff in her all around. Altogether it was a great game, and the series has shown that the Maui poloists are no mean opponents. During this game Frank Baldwin rode his favorite polo pony "Carry the News." This pony known to all Maui-ites who are interested in good horsemanship, played in the international matches at Meadowbrook before the war period.

Game This Week To
Settle Championship
Last Sunday's Results
All-Stars, 11; Asahis, 5.
Next Sunday's Game
All-Stars and Asahis at 3 p. m., (final game for championship.)
The All-Stars' victory over the Asahis last Sunday, 11 to 5, put both team on an even basis in the championship running for the season. Sunday's game will decide for once and all as to the best team. This game will bring to a close the Junior League. Loose ball was played by both nines and while the winners put up a poor exhibition of the national pastime the Asahis went them one better by putting up a worse brand of ball. There was a fair crowd on hand to see the tossers engage in mortal combat. The All-Stars were off to a good start by tallying four runs in the very first inning. The Asahis used two pitchers, Tadashi and Masachi. Sunday's victors will receive the watch fobs, presented by Theo. H. Davies in behalf of the Reach people.

Well, maybe Maui got beaten at baseball in Hilo on Labor Day, but when it comes to tennis there is another story for Maui to tell. One of the visitors to the Labor Day celebrations was H. K. Cravalho Committed On Burglary Charge

Prosecution Fails To Prove Crime
And Court On Own Motion Reopens
Case—Attorney Reprimanded

Mannuel Cravalho and Frank Sylva and J. Manuel Joaquim filed a petition of habeas corpus before the Circuit Court a few days ago on the ground that they were unlawfully detained by the Sheriff of the County of Maui. The judge sustained the petition and discharged the defendants. Shortly thereafter a warrant, sworn to by Deputy County Attorney Frank Crockett before the Circuit Court sitting as committing magistrate, issued against Cravalho, Sylva and Joaquim. A demurrer was filed to the charge which was sustained by the court as to two of the defendants, Frank Sylva and Manuel Joaquim, for the reason that the affidavits attached to the charge were insufficient. The hearing of Cravalho then proceeded before Judge Burr and consumed about four days. After the prosecution rested the court reopened the case on its own motion to allow the prosecution to prove the identity of the defendant and that the crime of burglary had been committed. The court charged the Deputy County Attorney with taking up the time of the court unnecessarily and criticised him for the manner in which he presented the case. Mr. Crockett attempted to prove the points called to his attention by the court, but being unable to do so by proper questions, the court finally examined the witnesses himself and from him adduced the necessary evidence and committed the defendant to await the action of the Grand Jury. Eugene Murphy represented the defendants.
